LEADERSHIP

Dalia Elkhairi, MD

Director of Women's Health

A Cleveland, Ohio native, Dr. Elkhairi received her medical degree from The Ohio State University in 1997. She completed her Obstetrics and Gynecology residency at The Ohio State University Wexner Medical Center in 2001 and then was in practice at University Hospitals of Cleveland through 2004. After a move to Lexington, Kentucky, she was an Assistant Professor of OB/GYN at the University of Kentucky Medical Center. She was instrumental in developing a minimally invasive Gynecology surgery program at the University of Kentucky as well as maintaining a thriving practice with the Lexington Clinic. After returning to central Ohio in 2010, she practiced at Licking Memorial Hospital and with Womankind OB/GYN. She has been with Heart of Ohio Family Health Center since March 2016 serving as the Women's Health Director. She has courtesy privileges at Mount Carmel East and Grant Hospital.

Dr. Elkhairi specializes in complete women's care from teen care, contraceptive management, prenatal care to menopausal and post menopausal issues. She is board certified by the American Board of Obstetrics and Gynecology and is a Fellow of the American College of Obstetrics and Gynecology. She lives in New Albany with her husband, Ray and their two children and three dogs.
