

HEART OF OHIO FAMILY HEALTH

LEADERSHIP

Yammah Morgan
Chief Operating Officer

Yammah Morgan is passionate about making a difference in the personal and professional lives of others, especially if it improves the community. Yammah has over 14 years of management experience specializing in customer service, strategic planning and project management. As COO, Yammah directs, supervises and coordinates the overall clinical and business operations for Heart of Ohio Family Health. Prior to joining HOFH, Yammah managed the compliance program of a large healthcare company where she traveled across the country training other centers on audit readiness.

Yammah holds a bachelor's degree in Economics from Wright State University, an MBA from Mississippi College, and a Graduate Certificate in Health Services Management. Yammah held the position of Vice President with the National Black MBA Association. She has also volunteered and played vital roles in the Immune Deficiency Foundation and National Hemophilia Foundation.
