

HEART OF OHIO FAMILY HEALTH

LEADERSHIP

Dr. William L. Washington, MD

Chief Medical Officer

Dr. William Washington has a strong commitment to improving the health status of individuals and families who are underserved. “I believe we must always put our patients’ needs ahead of our own. Every patient, no matter their circumstance in life, deserves to be listened to and cared for with dignity and respect. I was drawn to Heart of Ohio Family Health because my personal beliefs align with their mission of high-quality, holistic and sensitive care which is operationalized through their vision statements.”

Dr. Washington has served as Chief Medical Officer for HOFH since 2015. Prior to his career at HOFH, Dr. Washington practiced as a physician in various capacities. For over a decade, he owned and operated his own private practices in Columbus, Ohio, where he served a large number of minority, Medicaid, low income, and non-English speaking patients.

Dr. Washington is a member of the American Association of Family Practitioners and The National Medical Association.
