

LEADERSHIP

Alexandra Zeleski, PharmD
Director of Pharmacy

Alexandra Zeleski, PharmD is the Director of Pharmacy where she leads retail pharmacy operations, regulatory compliance, medication safety and strategic initiatives across all retail pharmacy locations.

Passionate about health equity and patient-centered affordable care, Alexandra is dedicated to expanding pharmacy services that meet the unique needs of the communities served by the organization.

Alexandra earned her Doctor of Pharmacy (PharmD) from The University of Toledo and brings a wide variety of pharmacy experience with her that includes hospital, long-term care and retail pharmacy.

In addition to her work at Heart of Ohio Family Health, Alexandra is a member of the Ohio Pharmacists Association (OPA) and invests in real estate across the state of Ohio.
