

HEART OF OHIO FAMILY HEALTH

LEADERSHIP

David Brewer

Director of Clinical Services and Quality

David is passionate about creating a healthcare team that cares for the whole patient by addressing social determinants of health, healthy lifestyle, and behavioral health in addition to best practice medical care. He has over eight years of experience in healthcare administration and clinical practice as a registered dietitian in the FQHC setting. He graduated from Indiana University with two Master's degrees in Business Administration and Strategic Management. He has a Bachelor's in Health and Rehabilitation Sciences and majored in Medical Dietetics.

Additionally, he has the following licenses and certifications: Registered Dietitian, Licensed Dietitian, Lean Six Sigma Blackbelt in Healthcare, Certified Professional in Healthcare Quality, and Board Certified Specialist in Obesity and Weight Management.

He currently manages all the ancillary clinical services and quality improvement initiatives at Heart of Ohio Family Health Centers
